THE JUNCTION

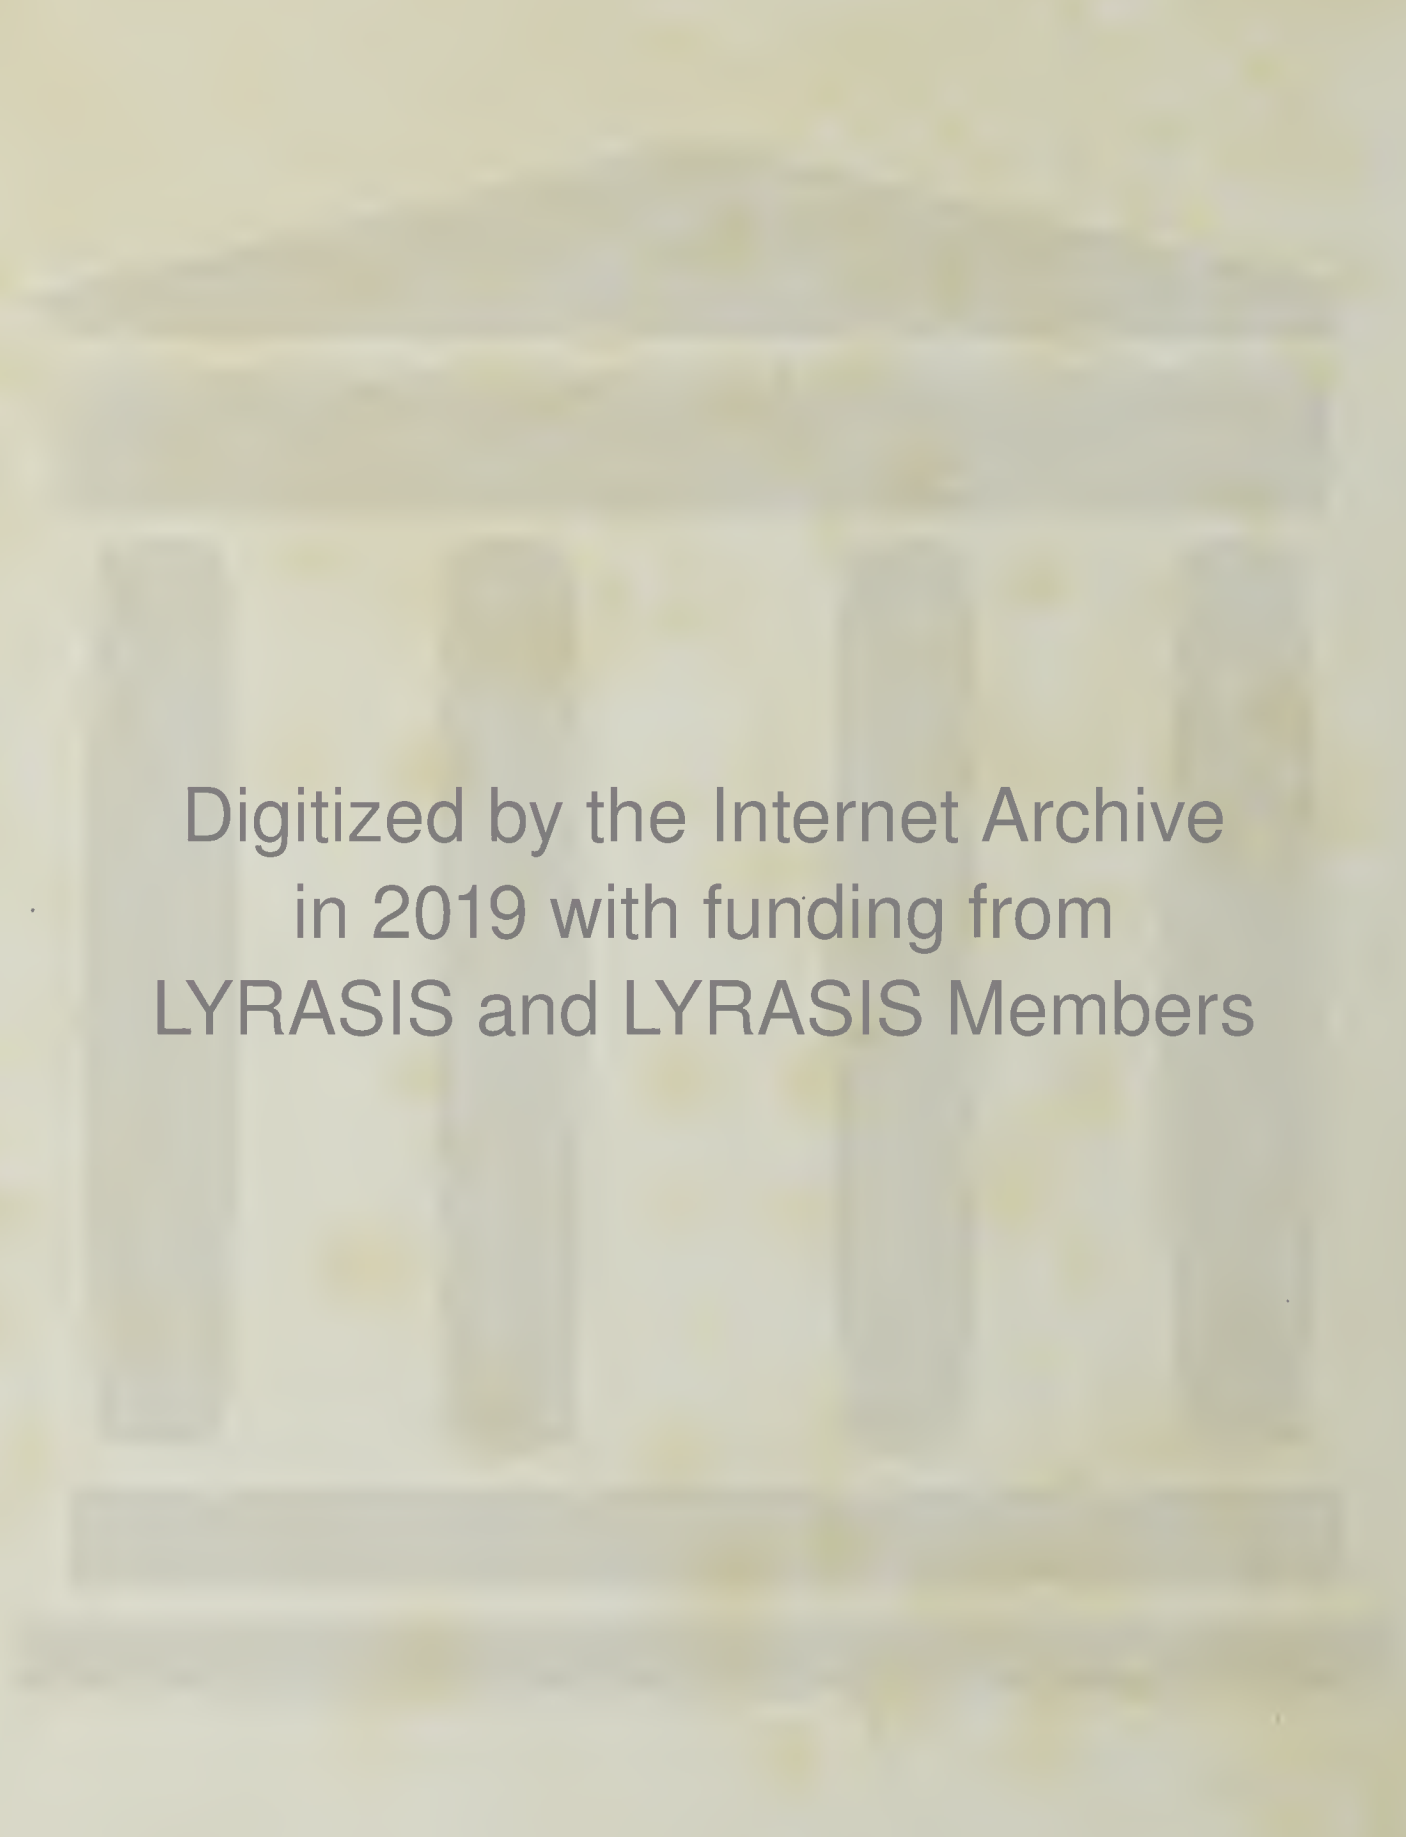

1952

Edited by

GRETNA HIGH SCHOOL

Gretna, Virginia

LYDIA SUE MOTLEY - Editor

JEANNETTE DALTON - Business Manager

Foreword

Memories of Gretna High School linger in the minds of all who have been students there. On the pages of this book is written the story of those incidents which will make the reflections of its present students clear and vivid. The Junction Staff invite you to join them in reliving those experiences, and as you delve through the pages, may your enjoyment equal ours.

Dedication

Through years of ceaseless toil, devotion, interest and guidance you have inspired us to higher and nobler things of life. We pause in grateful appreciation for all you have done, and with deepest love and esteem dedicate the 1951-'52 edition of THE JUNCTION to you, Miss Lulu Pearson.

Through the Latin Club we have tried to introduce ancient Roman life to our members, while studying their language, we have come to understand more of their influence on our lives. In our literature, in our art, in law, and in the form of public buildings, we have learned that we are greatly indebted to the Romans.
